

meet the new WHEELHOUSE

a low-profile high-density mobile system...
that's ramp-less

Meet Wheelhouse, the low-profile high-density mobile storage system that combines strength and adaptability to solve your storage needs. It makes the most of every inch of your space - and its ramp-less! This rigid system packs more of whatever you're storing into the available space. It can easily be reconfigured to fit new requirements and new spaces. Its efficient design uses less steel and is manufactured from a high percentage of recycled material and low-emitting finishes - it's both durable and sustainable. Wheelhouse is lighter, stronger and smarter. **Simply put, it fits right in!**
