

KITS – M16 & M4 Weapons (12- & 15- Gun Solutions)

All Spacesaver® Universal™ Weapons Racks feature **bi-fold, fully-retracting doors** for optimal access and diamond-patterned punch for increased visibility. Locking bars, welded hinges and other standard security features meet or exceed military physical security requirements (OPNAVINST 5530.13C and AR 190.11).

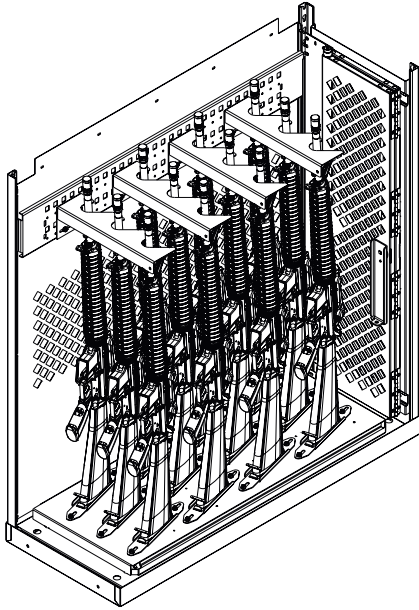

Please contact your Spacesaver representative for complimentary space-planning services and pricing. Please visit www.readyandsecure.com for more information.
