

WWW.METRO.COM

We put space to work.™

More choices, better solutions. Advancing the way you work.

The Metro line of healthcare products are constantly in motion. Always advancing in technology. Constantly advancing in efficiencies. Always moving forward with new and better solutions that help improve patient care.

Our MetroCarts™ line features premium solutions with many things in common: our carts are easy to roll for less effort and greater control; each is engineered with greater maneuverability for enhanced ergonomics; all have flexible options created to give you more choices for highly specified tasks; and all are designed to adapt to changing technology for long-term utility and value.

Metro incorporates several elements in its product design to support a facility's infection control processes:

- Microban® antimicrobial protection helps keep products “cleaner between cleanings”
- Advanced polymer and other proprietary finishes provide corrosion resistance
- Smooth rounded corners to allow for easier cleaning

Look for the “red check” symbol for this added protection.

Metro® value-added solutions:

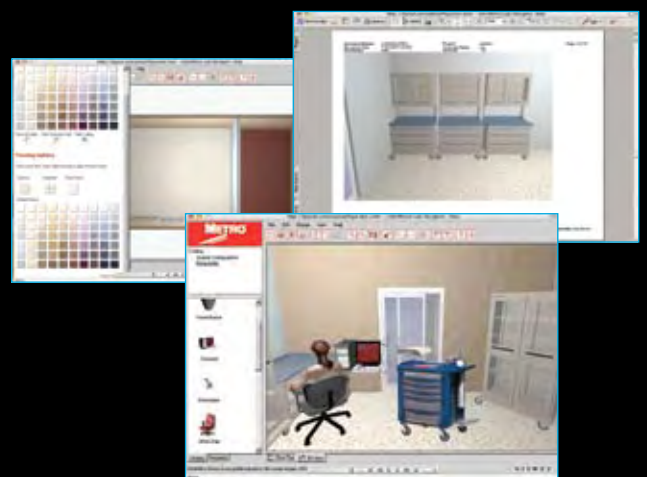

Whether your top priority issues involve storage space, or security, or more efficient transport—our applications specialists can configure a "just right" solution—for you and your patients.

STORAGE AND SPACE ANALYSIS: Metro will provide you with a comprehensive storage and space analysis. We'll make recommendations on how to best use your available space and which cart is right for you. Best of all, this analysis is absolutely free.

QUOTES: In addition to working with your available space, we also work with your budget. We'll provide you with quotes for the most cost-effective solution.

DRAWINGS/LAYOUTS: Based on our storage and space analysis, we can provide you with free layouts and drawings showing the best solution for your situation.

DO IT YOURSELF: Our proprietary Metro Configurator lets you create room layouts and configure alternative scenarios to effectively use your space to best advantage. See for yourself, visit www.metroconfigurator.com

Lifeline

Metro incorporates several elements in its product design to support a facility's infection control processes:

- Microban® antimicrobial protection helps keep products "cleaner between cleanings"
- Advanced polymer and other proprietary finishes provide corrosion resistance
- Smooth rounded corners to allow for easier cleaning

Look for the "red check" symbol for this added protection.

Lifeline. Save lives together!

FIND IT FAST.

Get organized with Lifeline. Drawer dividers and trays make finding critical medications and supplies easy.

BE EFFICIENT.

Have simultaneous access to medications and supplies by multiple code team members.

TAKE CONTROL.

5th wheel steering Assist assures maximum control in transit and maneuverability during a code.

Designed for a code. Not adapted for one.

STANDARD DRAWER PULL COLOR

PEDIATRIC COLOR KIT

- > Advanced polymer construction, rounded corners and Microban antimicrobial product protection help maintain a cleaner cart to improve infection control.
- A. Lightweight polymer construction, ergonomic handle and proprietary 5th-wheel steering system assures maximum control in transit and maneuverability during a code.
- B. Tilt out side bins, top storage compartment and drawers provide simultaneous access to multiple stored products.
- C. Cord management and restraint system keeps cords neatly organized and protects equipment from accidental damage.
- D. Strapless defibrillator platform adjusts to accommodate various defibrillators.
- E. Swingarm positions defibrillator closer to the patient; clears top work area.
- F. Recessed top storage with a clear removable cover provides instant access to first line meds or airway equipment without impeding access to drawers.
- G. Convenience features include an extendable I.V. Pole, O2 Tank Storage, Suction Pump Shelf, Glove Box Holder, Lockable Sharps Container, Hospital Grade Outlet Strip, Cord Management, Trays & Dividers.
- H. Full extension drawers have self-closing ball bearing slides to provide easy access to medications and supplies. (Drawer depths: 3", 6", 9", 12")
- I. Lock mechanism secures top compartment, drawers and side bins and can be sealed in segments or one seal secures all.
- J. Backboard can be mounted to the front or back of the cart.
- K. Two brake casters positioned in the front of the cart to provide stability.

Packages include cart and accessories.

Flexline

Flexline is constructed of advanced polymers, designed with rounded corners and infused with Microban antimicrobial product protection for a clean, durable solution that withstands the rigors of a healthcare environment.

Metro incorporates several elements in its product design to support a facility's infection control processes:

- Microban® antimicrobial protection helps keep products “cleaner between cleanings”
- Advanced polymer and other proprietary finishes provide corrosion resistance
- Smooth rounded corners to allow for easier cleaning

Look for the “red check” symbol for this added protection.

Standardized options. Configured by you.

DRAWER PULL COLORS

CODE BLUE DRAWER PULL COLOR

PEDIATRIC COLOR KIT

- > Advanced polymer construction, rounded corners and Microban antimicrobial product protection help maintain a cleaner cart to improve infection control.
- A. Pull out side shelf provides additional work space.
- B. Pull out interior shelf accommodates equipment or used as a seated writing surface.
- C. Laptop arm and keyboard shelf accommodate technology needs.
- D. Full extension drawers have self-closing ball bearing slides to provide easy access to medications and supplies. (Drawer depths: 3", 6", 9", 12")
- E. Auto Lock Keyless Entry Touch Pads, Card Readers, Data Manager Software, Key Locks and Passive Locks are available for every security need.
- F. Spacious work surface provides a smooth writing surface or ample space for prep work.
- G. 5" (127mm) polymer caster, 2 directional and 2 brake casters provide control and stability.
- H. Overbridge Storage creates additional space and clears clutter without expanding the cart footprint.
- I. Recessed side storage holds tilt out bins, wastebaskets, lockable sharps containers, O2 tanks, glove boxes, and suction pump shelves.
- J. Strapless defibrillator platform adjusts to fit various defibrillators and can be moved away from work surface and towards the patient.
- K. The backboard can be mounted to the front or back of the cart.
- L. Passive security seals for the entire cart or individual drawers. 13

Features include:

- Automatic electronic locking systems
- Articulating arms to hold laptops, tablets, and LCD screens
- Retractable keyboard tray
- Internal/external wire management protects cords from snags and damage
- Hospital grade outlet strips
- Tech trays for battery or computer storage

Computer Package **FLCOM-LT**

(Laptop, mouse, and power supply not included.)

Many applications in healthcare today are utilizing a form of technology. Applications that are integrating technology into their process need a cart that can accommodate those components. The needs can range from a simple hospital grade strip and articulating laptop arm, to a fully integrated solution with onboard power and a full complement of technology accessories.

Starsys

STARSYS™ SYSTEM OVERVIEW

The Starsys Modular System creates flexible space.

No matter what you need — open, closed, short, tall, mobile, stationary, preconfigured WorkCenters or carts . . . Starsys is the product for you.

With Starsys, you choose from an array of modular units to fit the space and work specifications. It's that easy and that flexible.

Starsys Benefits:

- Facilitates fast, efficient product installation.
- The ability to easily reconfigure your furniture layout as needs change.
- The ability to reconfigure unit design.
- Flexibility to design a storage solution to meet your needs.
- Corrosion-proof polymer components for a contamination-free product.
- Durable, easy-to-clean, polymer enclosures that won't chip, dent or rust ever.
- Rigid aluminum and epoxy-coated metal substructure combined with advanced polymers provides a robust stable work environment for even the most sensitive equipment.
- A high level of organization with easy access to supplies.
- Greater storage density in a smaller footprint.

Ultimate modularity Unlimited choices.

DRAWER PULL COLORS

135% more space.

> Lightweight advanced polymer construction, easy-to-clean surfaces and small footprint make Starsys an ideal cart for any clinical application.

A. Keyless entry system features auto relock and access denied functions.

B. Removable drawer totes provide a convenient exchange system.

C. Secure cassettes and bins are convenient for organizing smaller items like medications, needles, and syringes.

D. Overbridge keeps supplies and equipment readily accessible.

E. Swingout worksurfaces can more than double your workspace.

F. Swingout side storage brings all supplies within easy reach.

G. Two brake casters provide stability when needed.

H. Integrated push handle provides ergonomic control.

I. Full extension drawers are easily reconfigured without tools.

Basix

BASIX™ OVERVIEW

BASIX PLUS

BASIX

Basix Plus – all the basics plus lighter, cleaner, easier.

CLEANER

Infection control: Cleanliness is improved by removing unsightly accessory holes found in traditional metal carts.

LIGHTER

Lightweight aluminum drawers and polymer components make Basix Plus lighter and easier to move than typical all-steel carts.

EASIER

Ergonomic push handles molded into the cart top minimize the cart's footprint and provide a natural location for maneuvering the cart. Side mounting channels allow for easy and flexible accessorization.

A color code must be included with each cart/drawer ordered. The color code determines the color of the drawer and on solid carts the color of the cart. The quantity should equal the total number of carts.

Traditional materials. Inspired design.

DRAWER COLORS

- A. Touchpad and proximity reader feature auto re-lock and tamper-resistant programming.
- B. Pass thru shelf can be accessed from either side of the cart to maximize functionality.
- C. Self-closing ball bearing slides allow for smooth action of drawers to provide complete access to contents.
- D. Accessories including overbridge, extendible I.V. pole, and side storage allow supplies to be organized and easily accessible.
- E. Ergonomic polymer work surface has molded in handles to minimize cart footprint as well as a raised perimeter for spill containment .
- F. Polymer corner accessory channels improve cleanliness by eliminating dirt catching holes on sides and back of typical metal carts.
- G. Lightweight, full extension aluminum drawers make Plus lighter than all steel carts.
- H. Double-wall steel body with powder coated finish provides structural integrity.
- I. Polymer base reduces weight of cart and provides impact protection to cart and surroundings.

Cart packages include cart and accessories shown.

9" (230mm) Deep Steel Drawer	15	7	9 ³ / ₈	238	17	432	15	381	MBC109

†Drawer capacity is determined by cart stability when drawers are fully extended.

*Note: Drawer color and solid cart body color is specified by ordering the desired color/code

MBX208

MBA586

MBA215, MBX250

MBA221

Cart: MBC1210TL
Color: MBC-DT (Dark Taupe)
Two Tone

A color code must be included with each cart/drawer ordered. The color code determines the color of the drawer and, on solid carts, the color of the cart. The quantity should equal the total number of carts.
